

To All Customers:

Specialty Produce will resume the sale of jalapenos and serrano chilies. The chilies are being purchased in California. The chilies associated with the Salmonella outbreak are believed to be from Mexico. Specialty Produce advises all customers to wash all produce before use. Please call 619-295-3172 with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "T. Naple, Jr.", is positioned below the word "Sincerely,".
